

Tell us what a real partnership is like

Manchester Learning Disability Partnership Board was where people who run services and people who get services meet up to see what is good and what could be better.

We want to work with you to co-produce the next steps

- How do you want to be involved?
- How should sessions be run?
- How would you make sure services are well run?

**Take part in one of our
online video chats**

**These are for adults with
a learning disability only,
but someone can support
you to take part**

Our video chats will be on Zoom

If you want an invite so you can take part, send an email to either:

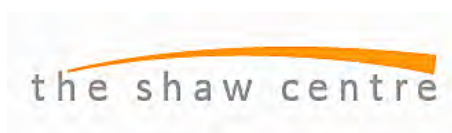

mcrpeoplefirst@gmail.com
